

Dear Parents,

Although you still have another year to go before you need to transfer to Secondary Schools we know you will already be thinking about possible options. It is always useful to visit potential schools ahead of time to help you come to a decision. This is an overview of open days for Secondary schools this academic year, which you can attend if you wish.

For more detail and links to the schools please go to <https://www.gooisegids.nl/open-dagen/>. It has dates for other schools in the region, which you may also want to consider, and is the most up-to-date resource. It also lists information evenings and proefles (trial lessons) but these are intended for those needing to apply this year.
